VOLUME 34

FRIDAY, NOVEMBER 28 1941

NUMBER 32

Alfred Speakman New Independent Leader

Meeting in Convention in Edmonton on Saturday, the Independents of the Province re-organized, and while retaining the old name made some changes in the officials of the organization.

After five secret ballots, Alfred Speakman of Red Deer, Independent member for that constituency and a man who sat in the Dominion House for 14 years as a U.F.A. member, was elected party leader, taking the place of Jas. H. Walker, M.L.A. for our own constituency who had acted as party leader in the House for the past year.

A province wide committee was chosen to organize for opposition to Social Credit and the convention soundly rapped statements credited to Premier Aberhart of Alberta for saying in Winnipeg that Canada's national debt in the matter of War Loan Bonds and War Savings Certificates, would not be repaid.

Annual Carnival Big Success

As we go to press this week the successful Carnival of the Athletic Association and Lions, concluded early this morning, is still the talk of the town. Better than ever was the slogan and everyone agrees that new marks were set in the enjoyment of the big crowd and the fine manner in which everything was carried out.

Next week we will have a full report for our readers, and in the meantime, our congratulations to the Carnival management.

In the last issue of MacLean's is a picture of a number of our local boys. Look close and see how many you can pick out.

Jack Evans was doctoring a very sore and painful optic this week something apparently having got in the eye and started some inflammation.

O. H. Snow, Sec.-Treas. of M.D. No. 37 returned Saturday after attending the Convention in Edmonton, as official representative. Mrs. Snow accompanied him.

WEDDING BELLS

The wedding was solemnized at the Cardston Temple on Wednesday morning of Johnny, son of Wm. and the late Mrs. Boehme of Raymond, and Miss Fontella Maude, daughter of Mr. and Mrs. J. M. Rasmussen of Magrath. Parents of the bride and a host of friends of both bride and groom witnessed the ceremony and joined in extending best wishes to the young couple following the ceremony.

A wedding supper was served in the evening at the home of the bride's parents in Magrath where many relatives and neighbors met in a social evening. The groom is at present working in the Sugar Factory, and is also the instructor, appointed by the Government for the Youth Training Classes here and in Magrath. The newlyweds will make their home in Raymond and we join with their many friends in wishing them much joy and happiness in their matrimonial journey.

DISTRICT GOVERNOR TO VISIT LOCAL ROTARY CLUB

Rotarians of Raymond will extend a hand of welcome at their luncheon, on Wednesday, Dec. 3rd, to John H. Abbott, Governor of this Rotary District. Mr. Abbott will attend the regular meeting of the local Rotary Club in his capacity as District Governor. Heber F. Allen, president of the Rotary Club of Raymond says that the District Governor will advise and assist the officers and committee men of the Club on administrative matters, and on matters pertaining to Rotary service activities of the Club. Mr. Abbott was nominated Governor at the Conference of this District held last May in Winnipeg, and was formally elected at the 1941 Convention of Rotary International in Denver, Colorado, last June.

Mr. Abbott is proprietor of the Abbott Drug Co. Limited in North Battleford, Saskatchewan and is a member of the Rotary Club of North Battleford. During the year he will visit each of the thirty-two Clubs in Alberta, Saskatchewan, Manitoba and Kenora, Ont., which comprise the 116th District. Governor Jack estimates that his official visits to Rotary Clubs will require travelling a total of approximately 15,000 miles. He will hold office until the 1942 Convention of Rotary International which will be held in Toronto, Ontario, Canada, next June.

Governor Jack is well known throughout this district from his activities in hockey, various lines of sport and the Retail Merchants Association in addition to his past Rotary activities. We wish him every success in his year's work as Governor of the 116th District.

PRE-NUPTIAL SHOWER

Friends of Miss Jane Walker whose marriage to Nolan, son of Mr. and Mrs. W. W. McMullin will take place early in December, honored her at a miscellaneous shower in the 2nd Ward Social Hall on Monday evening of this week.

The evening was spent in a very enjoyable program, after which refreshments were served, and then the bride with her assistants opened a display of gifts that when completed had the furnishings of a complete housekeeping array on display from towels, silverware, kitchen utensils to the kitchen stove and according to Jane "a cow and a pig" from mother and dad. A most enjoyable evening among all the presents saw friends of the young couple extend our congratulations and best wishes.

Allies In New Front In Africa

Well on into its second week now, the Allied offensive against the Axis in Libya and the North African desert seems to be sweeping away all opposition, despite the fact that German and Italian troops are putting everything they have into the defense of their last frontier in this section of the dark continent.

Started without fanfare, and equipped to quite a large extent with American planes and tanks the 8th Allied Army started its sweep across the desert, at the same time the fleet started laying down a barrage from the shores. The garrison which had been holding Tobruk for more than seven months swung into action, and the Axis forces found themselves in a pincher's movement with no way out except to fight their way as they went. The land forces swung around the force in a crescent, before the real offensive started so that Axis forces, who had tried repeatedly without success to storm the fort and drive out the garrison, found themselves trapped and had to fight. After a few days miking fire, the troops within the fort were evacuated, and Monday the battle field had narrowed down to about two miles between the Allies and Axis fighters and the battle went on. Germany

has been trying to rush reinforcements to the scene but with the sea lanes blocked, planes and gliders have had to be used, and these have made fine targets for Allied gunners as they have come within range.

It is the first real test of a properly equipped Allied Army against a fully equipped Axis opposition, and the Allies are definitely superior in equipment and also in leadership. The American tanks are vastly superior to the German tanks and are able to rush out again while the more awkward tanks of the Axis are swinging into position. Losses on both sides have been heavy but the Allied advance has not been stopped, and if the Axis forces are cleaned out of this sector it will give the Allies a definite advantage should the Fuehrer put the screws on the French in West Africa and French forces and the French fleet in African waters. The final outcome of this battle will be watched with interest and will likely have quite an effect on the future programs of both sides.

One interesting feature is the fact that the Cunningham brothers Andrew and Alan the former in charge of the fleet and the latter in charge of the land forces are co-operating again in this seige.

PROVINCE-WIDE RECRUITING TOUR PLANNED AGAIN

12 MISSIONS TO START ON NEW DIVE DECEMBER 1st

Another province-wide "recruiting tour will be undertaken by 12 recruiting missions, commencing December 1st," Major J. H. Gairner, M.C., district recruiting officer, announced this morning.

The itinerary of the parties has been drafted and has been released now, said Major Gairner and Major F. H. Jenkins will be at the Town Hall, Raymond, in the afternoon of Monday, December, 8th, to interview those wishing to enlist and to answer

any questions that arise.

Practically every town in Alberta will be visited during the campaign. One of the purposes of the drive is to contact men who were engaged in harvesting operations during the last drive and to recontact men who had expressed a willingness to join up when approached during the last drive and who have not yet reported for duty.

There are also a number of recruits throughout the Province who were rejected in earlier Medical Examinations and are now acceptable for enlistment due to a lowering of the previous standard in regard to slight eye and ear troubles. These men may now be re-examined with every chance of being accepted.

Rotary Hears Talk On Manchuria

Miss McCausland, member of the High School faculty, was the speaker at the Rotary meeting on Monday and gave a most interesting and informative address relating some of her experiences in the land with so much ancient history behind it, and answering a number of questions at the end of her talk.

Having spent three and a half years in Manchuria, which is now under Japanese rule, she told of the difficulty of learning the language, especially of learning to read, of the severity of the winter cold and summer heat, and of the extremely low standard of living. Less than twice the size of Alberta, the province of Manchuria supports a population of 33,000,000 people, so said the speaker it was easy to see how little there would be per capita from the

produce of the soil.

Referring to her work in the Church Schools there she stated that Chinese people accepted the teaching of Christianity very readily, and that at the present time the older Chinese of a couple of generations ago were teaching Christian principles to the younger nation more than the missionaries. The Chinese people are a very democratic, liberty loving and peaceful people and like nothing more than to be left alone to pursue their vocations. No street cars and only a few autos are encountered in the cities of Manchuria, but ginrickshaws and Russian horse carts to haul two or four passengers are always available and while slow and uncomfortable, get you there and bring you back.

The fine talk was greatly enjoyed by the Rotarians present.

A. W. Jones Constituency President

CONFERENCE THIS WEEK-END

Commencing with a dedicatory service in Tyrell's Lake Branch tonight (Friday), the Quarterly Conference of the Taylor Stake of Zion will continue Saturday night and all day Sunday in the Stake House. Elder Rufus K. Hardy of the First Council of Seventy is expected to represent the General authorities at the Conference.

NEWS NOTES

Arthur Dahl of Cardston, spent Saturday evening and Sunday in Raymond, returning on the bus Sunday evening.

Printing and paper are our specialties. Come in when you need either. We are always ready to serve.—The Recorder.

C. D. Richardson, a local boy is one of the latest recruits from this district to the Air Force. He reported for duty at Calgary last week.

Milt Wolsey, who signed up some months ago, has been called up for service in the Postal Department and will leave for Ottawa and Calgary next Thursday. We wish him success in his new duties. A younger brother, Kenneth, is already in Ottawa in the service.

Social Creditors of the Warner Constituency gathered in Raymond last Thursday, Nov. 20th, in a re-organization meeting and to hear talks by Hon. Solon Low, Provincial Treasurer and R.E. Ansley, M.L.A., who spoke in the evening.

At the re-organization meeting, T. C. Carr, Warner, Past President was in the Chair for the commencement of the meeting, giving up same to Alvin W. Jones, when he was made Pres. for the coming year. Ed. Bussin of Twin River was named Vice-Pres., and Edw. Kiddle of Sirling was named as Secretary.

In the evening the Hon. Mr. Low spoke on the tendency of governments to coerce the people instead of true democracy, and stated that records showed that since the organization of our present financial system, that money and the financial interests had really been the rulers of the world and that the Government had only been the mouthpieces of these interests.

Mr. Ansley showed a number of slides, and centred his talk around monetary reform and discussed the topic "Union Now" and gave his reasons for believing that this move was not sound as it threatened the citizenship and liberties of every member of society. The meeting was greatly enjoyed by the crowd present.

Participation In Financing War Activities Revealed In Strong Report Of Bank Of Montreal

Loans Up \$42,000,000 — Strong Liquid Position Shown — Assets Exceed Billion Dollars — Mark — Profits Show Little Change

The extent to which the Bank of Montreal is participating in the war-time activity of industry and commerce throughout its branches in every part of the Dominion is impressively exemplified by its annual statement, issued today, which reveals operations during the past year that in volume are at the highest levels in the history of the institution.

The statement which is published in another column, is in the "easily understandable" form which it has been the bank's practice in recent years to present to the public. This year the explanatory notes which accompany the various totals contain additional information.

Following are salient features in the statement:

	1941	1940
	\$	\$
Total Resources	\$1,046,551,479	\$961,334,955
Liquid Resources	705,662,010	663,185,436
Deposits—in Canada	809,110,875	731,081,210
Elsewhere	119,277,013	117,784,139
Govt. and Other Bonds	498,740,536	461,827,040
Commercial Loans—in Canada	254,427,218	218,759,134
Elsewhere	21,271,754	14,801,234
Prov. and Munic. Loans	28,964,546	35,313,063
Call Loans—in Canada	4,472,437	4,606,348
Elsewhere	15,569,284	19,552,470
Capital, Surplus, Undivided Profits and Reserves for Dividends	76,905,870	77,083,656
Profits	3,437,026	3,435,941

WHY NOT SOME AIR CADET?

Why don't we organize troops of Cadets in Raymond, either Air or Army cadets, and give our youth the advantage of this training and teaching. Lethbridge has 161 enrolled, Picture Butte has a troop in training, why not Raymond?

There are many things about this that appeal to the boys, and the training will always be valuable to them. All Canadians admit that we are out to win this war, yet many of us are very reluctant about doing anything except talk to help to win. This cadet movement is a real step toward hurrying up an increase in the ranks of ready soldiers. At present, the first two months of the soldier's time is employed in learning to march, handle his rifle, and learn the rudiments of military routine. A great deal of this could be learned as a cadet if we had a local troop, thereby saving the Government money. Our manual training classes in school are giving the boys the fundamentals of shop work. This would shorten their time in trade schools, again saving money for the Government.

The organization of a cadet troop, along with shop work, seems to be a natural for the teen age boys, and most of them are literally rotting away in their eagerness to get into a uniform and do some training. We know a troop can be organized, and will be if we can get fifty boys in town to signify a desire and willingness to take this training. Come on fellows, get your parent's consent and hand in your names and let's get going on our first step to lick our enemy, Hitler.

RENEW YOUR RECORDER

Rivers Are No Obstacles To Britain's Army

Although it is but one of the multitude of tasks performed by the Royal Engineers of Britain's Army, the negotiating of troops over rivers and other water obstacles has become a fine art. Here a Bren gun carrier is seen being ferried across a river.

HITLER OUTSMARTING US?

Hitler said he would dictate peace terms to Britain in Buckingham Palace on August 30, 1940.

Hitler said he would take Moscow within three weeks of June 22nd, 1941.

Hitler said five or six weeks ago that the most momentous event of the war would be reached in 48 hours — meaning the utter defeat of Russia.

Hitler is the most colossal liar and the shrewdest propagandist of all time. Nazi dive bombers and Blitz Buggies don't strike until the propaganda time-bombs placed by Hitler's gang, are ready to go off.

Nazi agents are planting their lies all over North and South America. There are lots of them sowing seeds of discord and suspicion right here in Canada.

These are quiet, wise looking guys who throw out the suggestion that gasoline saving is not necessary; that it's a frame up. In whose interest is it to

make Canadians suspicious and keep them from saving gas when Britain asks us to help her by doing so? And how could German agents in Canada serve Hitler better than by casting suspicion upon the gasoline saving campaign?

The same quiet, wise looking guys who sit in hotel lounges, beer parlours, train smoking-rooms, say that War Savings Certificates are no good — that you'll never get your money back. They say better put your money into strike funds and let Mike and Joe, or some other strong arm get a real cut for you.

The saps pass this along and the quiet wise guys slip back to the Vaterland by the way of U.S.A. and Lisbon to receive the iron-cross for smart work done in Canada.

Art Jensen is home from the Hospital and is feeling pretty good after his recent operation. With his many friends we wish him a speedy and complete recovery.

RECRUITS WANTED FOR THE R.C.A.F.

A Recruiting Officer from the R.C.A.F. at Calgary will be in Raymond on Wednesday, Dec. 3rd from 7 p.m. to 10 p.m. to interview any young men who are desirous of enlisting in this arm of the Service. A Medical Officer will also be in attendance on this trip.

NEWS NOTES

Alberta Wheat Pool delegates are meeting this week in Calgary in their annual Convention. Paul H. Redd is the delegate from Raymond.

Whitney Bennett, who is in the service now as a military fitter, was home on leave over the week-end. He left here to take his four months training in Camrose, and on completion of that went into active service.

Livestock feeders of the district met in a meeting at the Town Hall Tuesday afternoon and listened to a talk by Mr. Cliff, an authority on livestock and feeds, as to what, when and how to feed cattle, sheep and swine to get the maximum results and to keep the animals in the best of health all the time. A good attendance of feeders was present and meeting was under the direction of the local Feeder's Association.

T. K. Roberts and his crew are busy whenever weather will permit building a new home on the Zobel farm west of town for Albert and his wife.

Buy your Christmas Cards now and buy them from The Recorder. We have a very nice stock at different prices, and you will find just what you are looking for. Come in.

Justice Minister Ernest Lapointe, who has been in hospital for two weeks, is reported by his physicians as growing weaker and weaker and very little hope is held out for his recovery. He has been a public figure for many years and is one of Prime Minister King's right hand men.

Some interesting stories have come to light about Monday's gale. Donny Nilsson was in Picture Butte and he said that coming into Picture Butte from the east, the wind was so strong the engine would hardly pull the empty truck in high gear. A portion of the roof of one of the hangars in Lethbridge was torn off and shingles were blown off houses and barns in most Southern Alberta towns. Kenyon Field reported an 84 mile an hour high wind just before noon. At any rate it took all the snow off and the night was warm and mild.

A New Valuable TOOL IN EDUCATION

Recent tests, conducted by prominent educators, have shown parents, educators, and students that the portable typewriter is a most valuable educational tool. In a dramatic two years series of tests they have proven that most children improve grades as much as 14% when using a portable typewriter.

An unexpected outcome was that, in addition to betterment in Composition, Geography, History, Science and even Arithmetic, self expression became easier even for shy students! You, too, can have this marvelous educational aid—for Remington Rand makes it easy to get! Only a small deposit, and terms as low as 10¢ a day, will bring you the Remette Portable, other models a trifle higher. Read what prominent educators say about student use of typewriters. Send for Free Booklet.

FREE! 32-PAGE TOUCH METHOD INSTRUCTION BOOK

with any Remington Portable you buy. It contains lessons, exercises, charts and illustrations to help teach you typing by the touch method.

Remington REMETTE PORTABLE

Lowest priced complete standard portable in Canada. Full standard keyboard, shift keys, shift lock, back spacer, margin stops. Extra strong geared type action, nothing that can get out of order. Full mechanical guarantee. You'll be thrilled when you see how easy it is to type with the Remette Portable.

SPECIAL CARRYING CASE

Included in the purchase price of your Remington Portable is a smartly designed Carrying Case.

The Raymond Recorder

NEWS NOTES

Mrs. Zora Holman, mother of Mrs. Ellys Piegrass has spent the past two weeks in Raymond with her daughter and husband.

The storm doors were put in place in the Mercantile doors Monday. Apparently Heber has lived in Alberta long enough to know that sometimes we do have winter weather before Christmas. Tommy Roberts and Jos. Kirkham put them up.

Mr. and Mrs. Raymond Bascom and family are leaving next week to make their home in Saskatchewan where Raymond has employment as foreman and manager of a goodsized ranch there. "Tommy" will be missed at Stampedes in Southern Alberta, but with their many friends we wish them well in their move.

If we spent as much time finding out things about our own business as we spend trying to find out about the other fellow's business, we would be much wiser and the world would be a much better place in which to live.

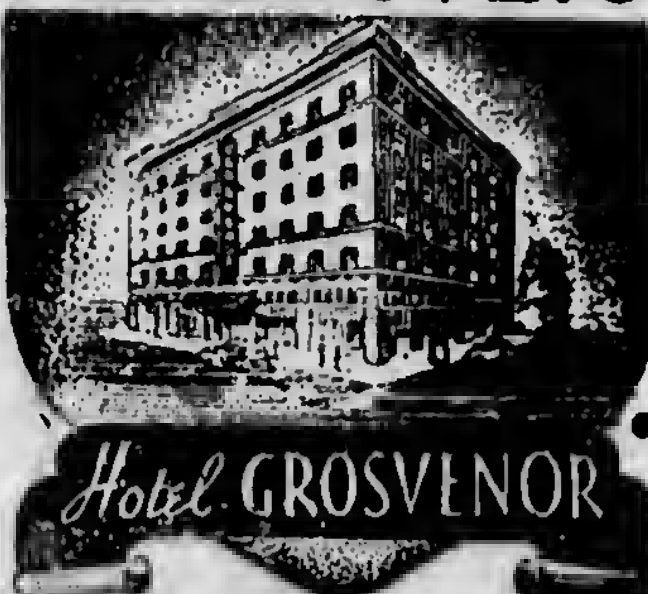

Heber F. Allen of the Stake Presidency and Chairman of the Stake Welfare Committee, with Emil Weed and other Committee members were in Cardston Monday night for a tri-Stake meeting held there with officials of the Church Welfare Committee from Salt Lake City.

It is in the interest of producers to draw to their attention certain points contained in this statement. We quote as follows:

"There were 84,000 hogs graded in Manitoba, Saskatchewan, and Alberta during the last week in October. The quota for domestic consumption in these provinces is 8,600 hogs. Thus 90 per cent is required to be exported. If weekly marketings rise to 110,000 per week, as they may do in the near future, then 92 per cent will be required for export. The fact is that there are far too many low grade hogs coming to market to supply domestic needs, and further, it is highly undesirable that Canadian consumers should receive nothing better than the product now remaining after export selection. The A Grade carcass provides the most suitable product for both export and domestic requirements. For the month of October hogs in the Prairie Provinces graded 31.1 per cent A Grade or desirable, 43.6 per cent B1 Grade or useful, and the balance 25.1 per cent were unsuitable for export.

The implication in this latter statement should be firmly fixed in the minds of all hog producers as they are the only ones who can prevent the suggested drastic step from being taken. It is a producer problem and one not difficult to solve. Proper feeding of well bred stock, finished to the required weights will bring the quality of hogs to the desired level. The careful attention of all producers should be given to this matter both from the standpoint of their own financial interest and the prosecution of the war thru adequate supply of bacon to Britain and to our own population, including the boys in the armed forces. We cannot let them down.

VANCOUVER

The Fall buying trip to Vancouver can be very pleasant if you stay at the Grosvenor—for here in quiet, beautiful surroundings you can really live—sleep, well at night—and find yourself but a block or two from the city centre—shopping, theatres, boats and trains. WEEKLY LETTER

HOG QUALITY — A PRODUCER PROBLEM

A challenge has been issued to the farmers of Western Canada. It is that they must uphold the commitments of the Canadian people to provide Britain with the volume of bacon she requires. The challenge has been accepted but there is a serious hitch in the program at present. The number of hogs being produced is adequate but the average quality is below par. This has been emphasized in a recent statement from the Marketing Service and we feel

THE EDITOR

Who rejoices with you when
you take the marriage vow? —
The Editor.

Whose heart is filled with
sadness as he sets the type an-
nouncing another death among
you?—The Editor.

Who offers the hand of wel-
come to the stranger?—The Ed-
itor.

Who bids farewell and bon-
voyage to those who move a-
way?—The Editor.

Who tells the world what a
fine place your home town is?—
The Editor.

Who writes for the paper the
publicity by which your town is
judged abroad?—The Editor.

Who is loyal to your merchants
and ever ready to boost their
sales and business ideas? The
Editor.

Who tells the religious mes-
sages and invites you to church
each Sunday?—The Editor.

Who mirrors the school ac-
tivities and encourages you
children in their undertaking
and endeavor?—The Editor.

Who represents you in far
fields and other places? — The
Editor.

Who boosts all projects and
plans for the civic improvement
of your community?—The Ed-
itor.

Who suppresses stories of re-
grettable incidents among you?
—The Editor.

Who offers words of praise for
your deeds or achievements?—
The Editor.

Who offers words of encour-
agement and advice when you
err?—The Editor.

Who is first to congratulate

THUMBS UP

When you're gliding down the
highway

In your coach or limousine.
And you see by road and by-
way

Standing straight and strong
and clean,

A fellow dressed in khaki, or
in the air force blue,
Just remember that he's wear-
ing that uniform for you.

Don't argue 'bout the danger,
If you stop and give a lift,
He will pay for that ride, sir,
With his blood and youth—
a gift

That you friend driver, might
appreciate some day,
If these boys weren't now in
training—and the Nazis
had their way.

Oh, the uniform he's wearing
Is the proof that he's no
shirker.

So brother don't start swearing.
He's no ordinary thumb-jer-
ker!

Put your brakes on, Mr. Driver,
and open up your door,
And let this fellow know you're
worth fighting for.

—Dunville Recorder.

Karl Dahl had the misfortune
to break his ankle during the
snow storm and slippery roads
the first of the week. With his
wife he was returning from
Lethbridge, when the car slipped
off the road. Karl got out
and pushed on the side of the
car to hold it on the road while
his wife tried to drive back on.
The car slipped and in going off
the road again caught Karl's
leg and broke it just above the
ankle. He is doing as well as
can be expected with such a
break.

you when you win? — The Ed-
itor.

Who is first with words of
sympathy when you lose?—The
Editor.

Who subscribes to the edi-
tor's paper and advertises their
wares therein, thus helping him
to accomplish these many du-
ties?—DO YOU?

BREWERTON'S

NEWS NOTES

Henry Jensen and Clifford
Dahl were at the Cardston Tem-
ple on Tuesday with some of the
ward boys and girls for a
Junior Baptismal Excursion.

A Budget Dancing party of
the 2nd Ward was held in the
Social Hall Saturday evening.
The Cardston Orchestra furnish-
ed the music. The event was
not widely advertised and only
a small crowd was present.

A Stake party for Mutual
members of the Special Inter-
est Group was held in the Mag-
rath Assembly Hall Friday ev-
ening. Quite a number from
here had planned to go but the
unpleasant weather kept part
of that number at home.

Shifts at the Factory changed
again on Sunday last.

Jas. H. Walker, M.L.A. and
his son Ralph were in Edmon-
ton over the week-end where
Mr. Walker attended the In-
dependent Convention on Stur-
day.

The Genealogical Committee
had charge of the Sunday even-
ing meeting in the Second
Ward Sunday evening and El-
der Jas. S. Anderson was the
speaker, taking as his subject
"The Redemption of the Dead
and Temple Work." Mrs. B.
Scoville and Co. sang a Ladies
quartet and the Choir sang
"I Know That My Redeemer
Lives," with J. LeRoy Ander-
son taking the solo part. A good
sized crowd was present.
